

# Your Way to Heraeus in Kleinostheim

## Directions by car

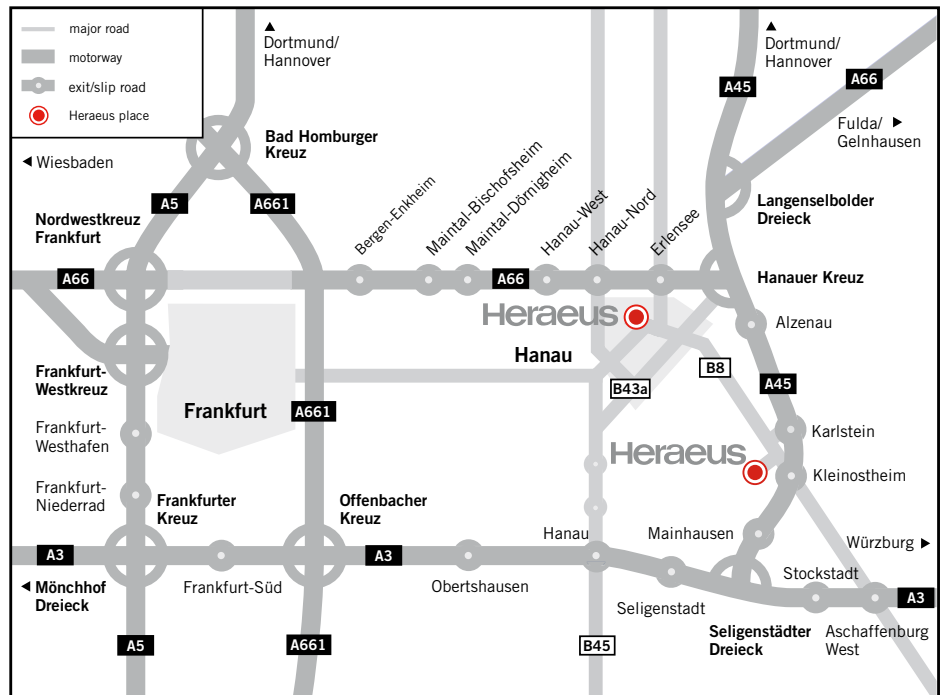

Kleinostheim is located east of Frankfurt am Main and can easily be reached by the autobahn from all directions.

### Via A45 – Coming from either north or south:

Take the Kleinostheim exit and leave the roundabout in the direction Karlstein /Dettingen. After about 300 meters, turn left at the traffic light onto Lindigstraße which leads to the industrial park. After 100 meters, drive left onto the Reinhard-Heraeus-Ring until you reach the Heraeus premises after 200 meters.

### Via A3 – Coming from either west or east:

Drive along until you reach the “Seligenstädter Dreieck” and change to the A45. From there take the Kleinostheim exit and leave the roundabout in the direction Karlstein /Dettingen. After about 300 meters, turn left at the traffic light onto Lindigstraße which leads into the industrial park. After 100 meters, left onto the Reinhard-Heraeus-Ring until you reach Heraeus premises after 200 meters.

## Directions by bus and train

Kleinostheim is connected to an ICE line via the Frankfurt am Main, Würzburg, and Fulda point of intersection, and can easily be reached using the regional rail of the DB, the S-Bahn or the bus.

You can best reach the premises on Reinhard-Heraeus-Ring from Kleinostheim by taking the bus line 5905 that operates between Hanau and Aschaffenburg. Get off the train at the “Kleinostheim, Industriegebiet West” stop. For more information on the schedule, please visit the homepage of the Rhein-Main-Verkehrsbund GmbH ([www.rmv.de](http://www.rmv.de)).
